Strong Deaf and Dumb Team Makes First Appearance on Local Gridiron Saturday.

The football team of Gallaudet College. Washington, D. C., will be seen for the first time in this city on next Saturday, when the cleven of that institution tackles the Spiders on the gridiron at Broad Street Park, beginning promptly at 330 oclock. It will interest many to know that Gallaudet is an institution for the deaf and dumb, and its athletic teams, for this reason, as well as on account of their games. While the "mutes" are strong in all the points of the game, it is on trick plays that they have won most of their games. All signals are given in the sign language, and it is, perhaps, the only college in the United States which has no yell. The game will no doubt draw a large crowd, because the spectators, besides seeing one of the best teams in this section, will also enjoy the novelty of the mutes' style of play.

Gailaudet has always been especially strong on series plays, which they run off with great rapidity, and their work hard to create a favorable impression on its first appearance in Richmond.

The Richmond College team is workfing bard and is fast getting into form. Conch Duniap is holding secret practice every evening at Broad Street Park, to which not even the students of the college are admitted. The crippied players are recovering from their injuries, and all indications are that a stronger team will go into the contest than has represented the college this season. With the old players back in the game and the new men better for the experience they have gained in the three contests already played, the Spiders should give the "mutes" a hard fight on Saturday.

SOUTHSIDE FAIR

GLOUCESTER, VA., October 21.—An immense crowd attended the exhibition of the Southside Agricultural Association, at the Fair Grounds, near Mathews Courthouse, to-day. The exhibits were unusually large, Gloucester county sending a large share of them. One Gloucester man, L. C. Catlett, had on exhibition Crystal White Orphington cockerel and pullet, sweet potatoes, Irish potatoes, parsnips, leek, peper corn, pears and blocks of concrete. There were two exciting races, in the first of which S. K. Bedworth, owned by E. B. Shipley, Mathews county made a mile in 2:18. In the second race, Virginian Boy, owned by Mr. Hogg, of Gloucester county, steeped the distance in 2:27.

The day was partially marred by one disagreeable incident, in which a white man was insulted by a negro, only the cool heads of some of the white people and the self-restraint of the rest of the negroes preventing a big riot.

Fulton Juniors will play any team whose average does not exceed 130 pounds. A game is wanted for Saturday. Address Willie J. Day, Duplex Envelope Company, city.

All this season pexter Draper has been sitting on the side lines watching the Penn team at work. The big fellow will get a chance to cut loose on Saturday, and it will be a sight for the eyes to see last year's All-American tackle in action again.

Villanova has in Barry, their full back, a player of reputation, and his ability as a kicker is a valuable adjunct to the eleven. Last year Barry played on the prep, team, and did not miles a single goal after touchdown all season.

That Princeton team seems to be riking its gait at last, and the result the Fordham game shows just how r Roper's charges have improved in fir team-work.

BLACKSBURG, V.A., October 21.—V.
P. I. returned from Princeton late
Monday night, and received a hearty
welcome from the students, who were
surprised and delighted with the showing made by the wearers of the
orange and maroon in the game with
the Tigers last Saturday. The men
report that the game was even a harder fought one than the score would
indicate. The thermometer stood at
30, and at the end of the first haif
the players were completely exhausted. Princeton put in an entirely new
set of players in the second haif, using in all twenty-seven men, while

with twelve men.
Practice this afternoon was light, the
team being greatly in need of rest

Martin Wins Five Firsts in as Many Events Breaking a South Atlantic Record.

[Special to The Times-Dispatch.] CHARLOTTESVILLE, VA., October 21 .- Virginia's annual fall track and field meet was advanced one day so as not to conflict with the big parade of veterans here to-morrow. Many of last year's stars, who are back in college, did not compete owing to press of work, while others are on the football squad. Rector, Waples, Holladay, Thurlow and Randolph were conspicuous by their absence.

Only one record was broken—the high jump—Lawrence Martin clearing the bar at 5 feet 19 3-4 inches, which is also a South Atlantic record. Martin also holds the Virginia record in the pole vault and high hurdles. To-day he won five firsts in as many events. Roberts, a new man, showed up well in the long distance runs, and Harding, of Colorado, another freshman, annexed both the hammer throw and the shot put. Summarles:

100-yard dash—Emmert, first; Burke, second; Cabaniss, third. Time, 19 3-5, 220-yard dash—Emmert, first; Burke, second; Goodwin, third. Time, 23 2-5. High hurdles—Martin, first; Barney, second; Haden, third. Time, 15 4-5.

Low hurdles—Martin, first; Barney, second; Haden, third. Time, 23 seconds.

WINCHESTER, VA., October 21.—

Great crowds from the Shenandoah and Cumberland Valleys were attracted by the second dny of the thirty-ninth sanual exhibition of the Shenandoah Valley and the Shenandoah Valley Agricultural Society. Exhibition drills and daring horsemanship by Troop H. Thirteenth Cavairy, were among the principal features of the day. The racing events were interesting and exciting. While driving Gold Dust for George Plaster, Jr., of Bluemont, Va., Dr. Lewis Jacobs was thrown and badly injured. The horse knocked down a fence and ran through a crowd, injuring several men and women. Thomas Clem was arrested, charged with stealing an outfit owned by Robert Voyce, of Washington. Racing summaries:

Running halfmile heats, purse \$15—One more, Hester Rouch, 1, 1; Hilarity, Home Hack, Jr., 3, 2; Fanny Golden, T. T. Hickman, 2, 3, Time, 51.

LEXINGTON, VA., October 21.—The

V. M. I. team had the first real test
of its strength Saturday in the game
with St. John's, and its showing was
not very satisfactory. The loss of
the game was due to St. John's better
playing, but it is believed that V. M.
I would have made a better showing
but for its misfortune in being compelled to enter the game with five substitues. The heaviest handicap was
the loss of McMillan, the quarter back,
who has heretofore been the life of the
team.

The substitutes used for him were
entirely without experience, and were
unable to inspire the team with that
confidence which is felt when McMi:
lan is in the game. King, who was
tried in the second half, was more
acceptable than Bently, who worked
in the first half. The team also suffered seriously by the absence of McLean, the big full back, who sprained
his ankle the day before the game.

The defense on the part of V. M. I.
was good all the way through, partiularly in the neighborhood of her own
goal line. At no time could St. John's
gain consistently enough to go
through the line. They, however, had
two brilliant individual players, who
turned the trick of scoring one by a
clever run from a caught punt, and
the other by a drop-kick from a very
difficult angle.

The V. M. I. attack was very weak.

The substitute quarter backs did not
get the plays off with any speed and
showed miserable judgment in the
ones used, and throughout the game
there was continued fumbiling between
the centre and quarter.

St. John's played a snappy game all
through, and were on the aggressive
during the entire first half. Their
team was well balanced, very quick,
and the headwork displayed was excellent. Bosley and Ruhl were particularly dangerous, one with his toe
and the other with his speed.

In the second half V. M. I. the
middle of the second half. In the

Midshipmen's Veteran Eleven in Fine Form-Dalton Is Proving a Valuable Man.

a Valuable Man.

ANNAPOLIS, October 21.—The Navy team is working with a vim in preparation for the game with Harvard next Saturday. The contest is regarded as the big one on the local grounds, and second in interest only to the annual Army-Navy game at Philadelphia, which crowns the season.

Last year Harvard won the first game ever played between the two teams by the score of 6 to 9. The Navy has a very strong eleven this year, with nine veterans of last year's victorious team, and it is felt that it is the best possible chance of tying or winning the game; in fact, the team will go in the game with the idea of winning. The line from tackle to tackle is the same that played against West Point last year, and is one of the most powerful and experienced in the country.

The game which was scheduled for to-day with the University of Maryland has been canceled by the latter. It is regarded as a good thing here, as the varsity team is a weak one, and better practice can be had against the scrubs. The practice this afternoon was long and satisfactory, and it is felt that there is now no weak spot on the team. While the team is composed entirely of men who have been on the squad in former years, a number of excellent new men have developed, and they will be able to fill any place if necessary. Dalton, a fourth-class man, appears to be the find of the year. He is a strong, stocky young fellow, a line-smashing back and excellent punter.
